Welcome back to all our students, staff and parents. A warm welcome also to our new enrolments. I hope your holiday was relaxing – an exciting term awaits.

**School Development Days**
The last two days of the year have been set aside for staff development activities. Staff at Queanbeyan West Public School will be spending the days reviewing the school’s management plan and school organisation for 2015 and planning at grade level for 2015.

Please note that Term Four **finishes for students on Wednesday, 17 December.**

As we **BEGIN Term 4** and warmer weather arrives we begin to have issues with uniform, especially jumpers and coats etc. Please make sure they are labelled as we seem to have mountains of jumpers in lost property and also please support us by not allowing your child to wear Hoodies etc. instead of their uniform jumper.

Those without a school hat should find it or purchase one as all students must wear the school hat to play in the sun. **Students not wearing a hat will be directed to play in the shade.** This is especially important as we reach the longer and sunnier days. Thank you for your help with uniform issues. Now is a good time to also check that children have the necessary equipment to participate in class activities. Pens, pencils, rulers and glue often disappear over the holidays so please check these items as well as ensuring your child has their school hat.

**End of Year Reports**
In line with Departmental guidelines the school is not permitted to give information about students to people who are not listed as parents or guardians on the student enrolment form. This affects the distribution of school reports. One report is given to each family, delivered through the child. In circumstances where the parents do not reside at the same address, a second report will only be photocopied and distributed to the second parent if the school has been notified of the living arrangements. The second report will be sent to the address listed for the second parent, not sent home through the child.

If your family circumstances have changed or if the address of the second parent has changed, please notify the front office, in writing, as soon as possible so our records can be updated.

**2015 Planning**
Our anticipated enrolment for next year needs to be confirmed. If your child is in a class, Kindergarten through to Year 5 and will be leaving QWPS at the end of the year, please contact the school with this important information by the end of Week 3.

**Kindergarten Enrolments**
We are now taking enrolments for Kindergarten next year. If you have a child who will be starting at West next year could you please contact the office to obtain an enrolment form. Parents of 2015 kindergarten students, who live out of the Queanbeyan West enrolment zone, are entitled to submit an out-of-zone enrolment application and should contact the Principal for further details. If you have a friend or neighbour, who does not receive this newsletter, could you please pass on the information that enrolments are now being taken and we would like to have our numbers finalised by the end of Week 4.

**Absences**
There are new procedures in place for students who are going to be away for more than 10 days. If this situation will affect your child (ren) please write to the school and we will send a copy of the “Application for Exemption from School”. If the reason involves international travel, copies of travel documentation are now required by the Department. As school principal I am able to approve exemptions for up to 100 days and beyond that, the school education director has to approve exemptions.

**Staying Safe Online**
Chances are your child uses a computer, mobile phone and the Internet more regularly than you
do. Here are some tips to keep your child safe in an online world that you might not be part of.

1. Keep computers out in the open!

2. Your child might think twice about looking at inappropriate websites and won’t be able to chat to their friends all night while you think they are doing their homework.

3. Keep personal information to themselves!
Remind your child to keep information such as their name, address, phone number, school and even your credit card number to themselves. When signing up to a chat room, they should use a screen name that is a nickname and not easy to work out. The same goes for choosing passwords - don’t make them easy to figure out.

Donations can include toys, games, jigsaws, sporting equipment, homewares, DVD’s, CD’s and bric-a-brac. No clothing or VHS tapes please.

**Enjoying "Pete the Sheep"!**

Kindergarten went on an excursion to the Q Theatre to see Pete the Sheep in the last week of Term 3. An exciting outing for everyone, the show was enjoyed by all students and teachers. Kindergarten read Pete the Sheep by Jackie French and Bruce Whatley before their visit to see the performance. They enjoyed the crazy sheep hairstyles, the very funny actors and the musical numbers.
